Trainer Accreditation

Sue Roffey Trainer Accreditation

Once you have completed the Trainer course you will be registered as a Circle Solutions Trainer for a period of three years. In order to extend your accreditation for a further three years you are required to participate in a related webinar, workshop or conference run by Growing Great Schools or Sue Roffey Associates. We will let you know when and where these will be held.

The terms (Licence) under which you can use these materials

You may use these materials without restriction in your own school or service without charge. We will register your school as soon as you have completed the trainer course so you can have the benefits as set out below.

If you train a second or subsequent school you **must** Register them as a Circle Solutions school as soon as they have completed any training, whether this is for the whole staff or just a small group.

Registration for schools costs £250 which needs to be paid to Sue Roffey:
Sort code 40-47-84 account number 11183338.

You as the CS Trainer are responsible for ensuring this happens. It is suggested you incorporate this in your fee and pay us directly.

This registration lasts for three years from the date of registration but can be extended by input by an accredited trainer who has maintained their registration as above or directly by Growing Great Schools or Sue Roffey Associates.

You are required to send the evaluation forms for all your training along with the trainer record to Circle Solutions, 32 Ellington Road, London N10 3DG

You may not carry out generic training - ie groups of teachers from different schools or services unless ALL of these schools are already registered Circle Solutions Schools or you have negotiated with us directly to do so.
